Applying Bloom's Taxonomy to PT#5 Nov 19

5. Knowledge Claim: Relative truth may be the only absolute truth.

Level of thinking	Question(s)
Creation[1]	If you were to establish 3 Absolute Truths what would they be ? What criteria did you use to decide your Absolute Truths ? Can you justify these criteria beyond relativity ?
Evaluation	What would be the advantages and disadvantages of using Relative and Absolute Truth to understand a international territory dispute.
Synthesis	Can knowledge change from being an Absolute Truth to become a Relative Truth ? (or vv). If so, why ?
Analysis	Is interpersonal attraction a Relative or an Absolute Truth ? Is the concept of equal access a Relative or Absolute Truth ?
Application	From your studies in Language and Literature, Individuals & Societies or The Arts find 2 examples of Relative and Absolute Truth that you have learned.
Comprehension & Knowledge	Find 2 definitions of Relative Truth and 2 definitions of Absolute Truth. Explain, using examples , Relative Truth and Absolute Truth.
